MEDEON AB

Medeon AB is the marketing and development company of the science park. It is jointly owned by the City of Malmö (60%) and Wihlborgs Fastigheter AB (40%).

We support, connect and promote Life Science companies.

Medeon Incubator

www.medeon.se/accelerate-growth/incubator/

Medeon's incubator is an ideal growth environment for companies in the development phase.

We offer industry-specific coaching, business advisory services, networking, and access to training opportunities.

Networks & Meeting Places

• medeon.se/community/networks

• medeon.se/focus-areas-initiatives/

Medeon's networks foster collaboration between researchers, healthcare professionals, and entrepreneurs. Our popular networking events are free of charge and create valuable research and business connections.

Newsletter: www.medeon.se/stories-news/blog

Would you like to receive the Medeon newsletter?

The sign-up form is located in the footer of the website.

Premises

Medeon's creative environment is designed for both established and startup companies in life science.

Facilities are tailored to your needs—rent a room, an entire floor, or build from scratch.

For more information, contact property manager

Henrik Sandqvist at henrik.sandqvist@wihlborgs.se

Medeon Labs

Medeon Labs offers startups and established companies flexible, affordable access to laboratory facilities and equipment, including cell culture, microbiology, and analytical labs.
