MEDEON AB

Medeon AB is the marketing and development company of the Science Park, jointly owned by the City of Malmö (60%) and Wihlborgs Fastigheter AB (40%). We support, connect and promote Life Science & health companies.

Medeon Incubator

Medeon's incubator is an ideal growth environment for companies in the development phase.

We offer industry-specific coaching, business advisory services, networking, and access to training opportunities. www.medeon.se/accelerate-growth/incubator/

Networks & Events

Medeon's networks promote collaboration between researchers, healthcare professionals, and entrepreneurs. Our popular networking events are free of charge and create valuable research and business connections. www.medeon.se/community/networks

Newsletter:

Would you like to receive the Medeon newsletter? The sign-up form is located in the footer of the website. www.medeon.se//stories-news/blog

Premises

Medeon's creative environment is designed for both established and startup companies within life science & health. Facilities are tailored to your needs—rent a room, an entire floor, or create tailor-made premises.

For more information, contact Property manager Henrik Sandqvist at Henrik.sandqvist@wihlborgs.se

Medeon Labs

Medeon Labs offers startups and established companies flexible, affordable access to laboratory facilities and equipment, including cell culture, microbiology, and analytical labs.
